Erie Community College
CIT Summer Workshop
July 27, 2011

Presentation: A Web-Enhanced Classroom: A Model for the 21st Century?
Presenter: Esteban R. Lopez, Professor at Erie Community College, City Campus

Top Ten Reasons to Web-Enhance Your Classroom

1. Post your syllabus throughout the semester.

2. Post announcements and reminders & test dates.

3. Post assignments and reading lists.

4. Create links to textbook websites and review pages.

5. Send e-mails to your entire class at once.

6. Absent students can send their assignments on time.

7. Students can send you e-mails or e-mail classmates.

8. Mailbox will only get class e-mails, NO SPAM!

9. Students can send their papers to you through a Drop Box

10. Helps to develop your students' computer skills.
